**JOINT PRETRIAL INITIAL STATUS REPORT UNDER LOCAL RULE 117.1**

Pursuant to Local Rule 117.1, the parties hereby submit this Joint Pretrial Status Report to advise the Court of the following:

1. The defendant recently retained new defense counsel. The undersigned defense counsel, has requested and obtained additional time from U.S. Magistrate Judge Joyce London Alexander for the filing of any motion to suppress evidence. Said motion is due by 3/17/06; and the government's response is currently due by 4/14/06. Additionally, defense counsel is still seeking to obtain certain Registry of Motor Vehicles records pertaining to the motor vehicle stop of the defendant on the day of his arrest.
2. Defendant intends to seek a hearing on any motion to suppress evidence, and the parties requests that a hearing date be scheduled for early May, 2006.
3. At this writing, the parties do not anticipate an early resolution of this case without trial. Trial is anticipated. The parties estimate that 3 - 5 trial days will be necessary in this case, and propose that a trial date be scheduled for sometime in August 2006, with the appropriate orders of excludable delay entered by the Court.
4. The defendant does not need an interpreter.
5. The defendant was ordered detained pending trial by Magistrate Judge Joyce London Alexander, and is presently in federal custody.

Respectfully submitted,
